January 8, 2009

Luna Pier Business Association meeting on December 16 was very productive, as I was voted President for 2009. I plan to recruit more businesses and residents who are business owners, to build up the Association. Working with the Association will be of great benefit to the City and our tax base.

Met with Poggemeyer as an introduction of expectations for both the City and our new City Planners. A great deal of excitement is generated by both. I believe this change assist the City to move forward responsibly.

Completed the evaluation tool for the Treasurer.

As President Obama takes office a stimulus package will be available to assist municipalities create jobs and repair and maintain infrastructure. I submitted 3 projects that we are actively pursuing; Waste Water Treatment Plant, Shoreline and Luna Pier Rd. streetscape to both SEMACOG and Michigan Municipal League. Both organizations are tracking projects so they can advocate for the state. I will also be sending those project directly to Dingell, Stabenow and Levin's office to lobby for our projects

Took a long holiday vacation!
