City Council and Luna Pier Residents:

- Preparations have been made for the public meeting March 4, 2008 about the Lakeside drain. Arranged a meeting with the Drain Commissioner, Dan Stefanski. Talked with Mike Briske and hope to schedule something soon with him as well.
- Coordinating an effort to organize city records. Mary Larrow will be in charge of the task to examine all records, condense & organize over the next 6 months.
- If you have not met our new Police Officer, Brian Stone stop in to introduce yourself. Patrolman Stone is from Algonac, Mi and will be relocating, with his twin daughters, to the area after the school year ends. Also new to the police force, Patrick Davison. He began the Police Academy on February 25, 2008. He will complete his training in June. Patrick was an MP in the Army and worked recently as a guard for the Sheriffs office.
- Coffee hour Monday February 25, 2008 at Gander's from 7:30 – 8:30 with State Representative Kate Ebli.
- Contacted Chris Renius about Resolution No. 770. The asset total in question at the last Council meeting was discussed and she informed me that the figure of \$130,000 is what most communities have adopted. It is up to Luna Pier to set the amount they believe is best.
- Making arrangements to host a Monroe County Board of Commissioners meeting sometime this year, here in Luna Pier.
- I am participating in the Michigan Association of Mayors 2008 Mayor Exchange. I have been paired with the City of Carleton. Arrangements to be coordinated for later in the Spring or Summer.
- February 26, 2008 met with representatives of Monroe Bank and Trust
- February 27, 2008 met with Larry Ruthlidge, Supervisor of LaSalle Twp.
- Will be attending Elected Officials Academy Core Weekender, in Frankenmuth, this weekend. I have made and paid for all of my own arrangements. This seminar is sponsored by the Michigan Municipal League.
- Made arrangements with Mr. Demski, our Building Inspector, concerning blight. He agrees that if there is complaint he will investigate and notify the resident by letter. He will follow up to see if steps are made to correct the issue and if the resident does not respond he will turn it over to the police.
- FYI we are having trouble getting salt for the roads, due to all of the icy weather this Winter.
