March 13, 2008

- Michigan Municipal League Weekender in Frankenmuth February 29 & March 1 2008. Informative seminars about the basics for newly elected officials and helpful networking opportunity.
- Lakeside Drain Town Meeting for Luna Pier residents; about 25 residents attended this meeting. Most residents expressed the need to know how we could protect our interests and assure that we were paying only our fair share of the cost. Another discussion concerned the proposed retention pond; was it really necessary, how deep it would be, how it would be safe guarded for children, and could it be placed closer to the express way as not to impose on the tract of land by the elementary school. The meeting lasted 90 minutes and was generally positive in nature.
- Preparations for the March newsletter
- Arranged negotiations between the city and a member of the Police Association.
- Communications with both Risk Managements, Pam Baker and our insurance underwriter, Bob Bucko to resolve the issue of having a Certified Range Officer on duty when the range was in use. See correspondence for their reply. Verifying that all necessary steps are being taken to open the range safely is my first priority.
- Beginning arrangements for Mayoral Exchange. We will be exchanging the Village of Carleton this year.
- I want to express my appreciation to our police and fire department on March 9th when my husband became gravely ill and their kind and prompt attentions help to comfort us both. Great appreciation to everyone on council and in the community who has shown concern.
