- March 28: Joined 35 Monroe County community leaders in Lansing for a session concerning the promotion of the County. In the morning, session State leaders from agriculture, MDOT, Sterling State Park, tourism, and culture and the Arts spoke to the group. Each leader spent time explaining their department and what they could offer communities. In the afternoon session facilitators from MSU led a work session to brainstorm the assets of Monroe County and help community leaders organize ideas to promote their area and the County at large. This was again a great networking opportunity and education in available resources available to Luna Pier.
- General office organization
- Collecting and familiarizing myself with the budget process and each department needs and desires.
- Developing Luna Pier Firearms Range Policy for Council approval
- Met with Councilman Murray and Councilwoman Gramza to develop tool for evaluation of the City Administrator. Also discussed evaluation tool for appointed staff and heads of departments. Will research if there are job descriptions for these positions, if not will work with each employee to develop one. See evaluation tool.
