Mayor's Report 9-11-08

Council Concerns

- Working with the Police Chief and Randy to lower the speed on Luna Pier Rd.
- Working with Randy to order sign for entrance of Pier "At your own risk".
- Talked with several residents at the North end of Allens Cove about restoring the channel by closing it. Initial reaction is that the sand bar has migrated to far in and that restoring the former road to Toledo Beach would stop the flow of water and as soon as the sand migrates further this would close off the entire Cove and cause stagnation, disturbing the animal and plant habitats. Controlling the flow and or dredging the sand bar continuously would be necessary to prevent stagnation of Cove.

Meetings and Issues

- Labor Day Walk – approx 45 participants, went very well.
