- Gun class held November 11th & 12th donation of \$180.00, attendance of 18.
- October 16, 2008 Shoreline Committee Meeting. 14 /15 Committee members attended as well as 8 community members. Jeff Bodie, Tony Zalucki and Dave Howe will co-chair the committee. They want to use a process of strategic planning to facilitate the shoreline plan. Also divide the shoreline into districts who will report each meeting about the needs and ideas of their constituents. There will also be a consideration for common problems shared by each district, but they do not want to neglect the unique aspects. Administration will be working on a Mission Statement and Vision Statement to present at a future meeting. Next meeting October 21, 2008 7:00 pm Watertower Park and then weekly on Tuesday nights. A time of community input was given. Bea Laginess related that there was a time the City flooded, because the flood gate was not closed and the water came in from the back way. Kenny Kruzel asked the Committee to place protection of the dike as the highest priority.
